

Woodcrest Methodist Church has been blessed with an amazing new facility for our MDO and Preschool program. This is the third year to be in the new facility and we have witnessed God move. Our enrollment has grown to over 120 students and continues to increase. We look forward to the plans God has for the program and to witnessing the impact on our community.

We invite you to be a lasting part of this exciting new season by purchasing a Legacy Brick. We launched the Legacy Brick campaign in 2022 and have had over 160 bricks purchased so far. The bricks are displayed in front of the new facility by the flagpole. The proceeds go directly to the MDO and Preschool Building fund.

Bricks can be purchased and engraved with your own personal message that will become part of the school forever. You can purchase a brick to honor your family, student, teacher, organization or business. Your personalized brick will become a lasting tribute, paving the way for generations to come.

We are grateful for your support and excited for you to become a permanent part of the Woodcrest MDO and Preschool program.

For more information, contact Mandy Ternes at finance.woodcrest@gmail.com

Brick Markers® USA, Inc. (BMI) offers this free clipart to your club or organization as an opportunity to increase your profit margins. Your club or organization could charge an additional fee to any of your donors/customers that would like to add clipart to their bricks.

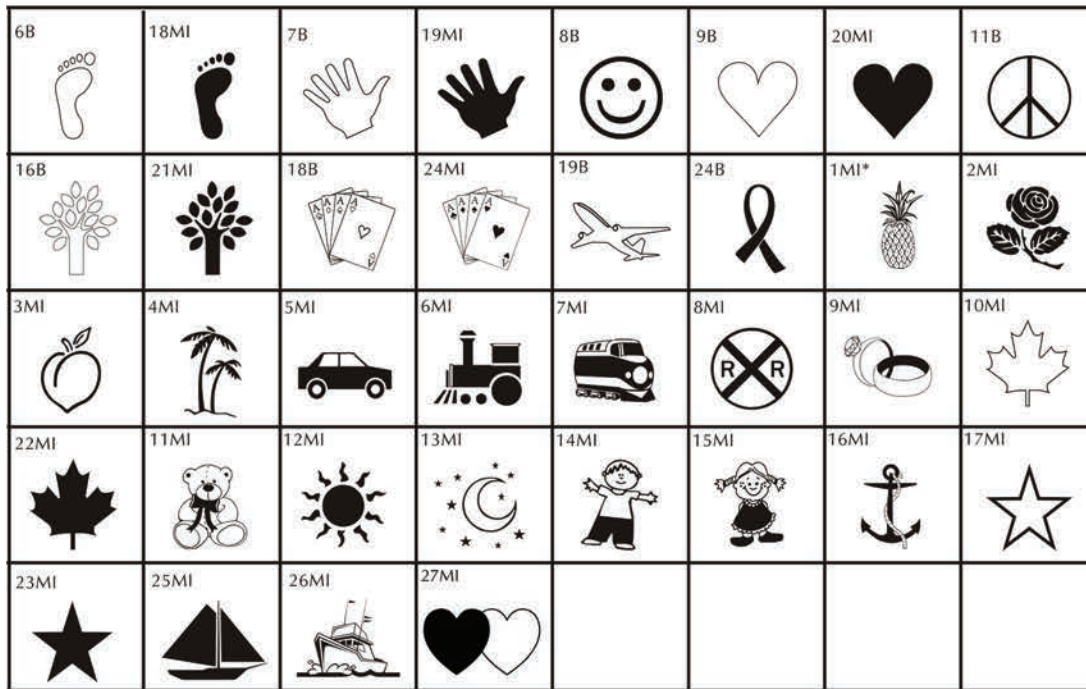

Important Note: Your brick area should have a clean and consistent appearance and should not be filled with too many free clipart images. We suggest that you limit the amount of free clipart images you offer to your donors/customers. For the possible free clipart image layouts, please see the attachment. We highly recommend one layout per size brick (4x8 & 8x8).

BMI Disclaimer: We will always do our best to provide a high quality engraved image. However, with any engraving process, we may lose some of the intricate details of a logo/graphic from the process of engraving. Such lost details should not be considered a defect but simply the result of engraving the image.
