

The Hero's Foundation and Outreach, a nonprofit dedicated to providing comprehensive support to individuals exhibiting military or civilian service, and their families, is offering you the opportunity to contribute to our mission by purchasing memorial bricks.

Each memorial brick can be individualized for you, your family, a service member, or in a memorial of a loved one. The donated bricks will become a part of the service tribute located on the grounds of the Stone House and help the foundation in its outreach mission.

Becoming part of this noble endeavor and adding a permanent personal artifact to the service tribute is easy. First, determine the type of bricks you want to add. The brick descriptions follow below. Next, fill out one form for each brick in your order. Once completed, send all your forms with payment to the address listed on the order form. That is it!

Ordering opens on August 3rd, 2024. The orders will be processed, and the bricks will be proofed upon their delivery. Our website will post updates on the installation of the bricks. If you order a miniature brick of your memorial, it will be sent to you as soon as it is received. This is a perfect gift for significant days such as anniversaries and holidays.

**BRICK DETAILS:** The bricks are 4"x 8"x 2 1/4" and are engraved using state-of-the-art laser technology. You can choose text only or add an image to the brick. If you choose to order a mini replica for a brick with an image, the mini replica will only contain the text from the brick. Most importantly, every brick engraving is guaranteed for life!

All donations are Tax-Deductible.
