The Friends of the T.O.H.P. Burnham Library are undertaking a landscape renovation Spring of 2026. This exciting project will increase and beautify the library's outdoor space, as well as improve the safety of the parking lot by including a sidewalk from Martin Street. Green space will be expanded and will include native plantings and together with the addition of a brick patio with lighting and seating will provide outdoor space for programming and patron enjoyment.

Help fund this project by purchasing a customizable brick to be placed in the new patio. You can individualize a brick for you, your family, honor a loved one, or make a memoriam. The donated bricks will become a part of the T.O.H.P. Burnham Library as a lasting tribute, paving the way for generations to come.
