

The St. James Episcopal Church and School staff, and Growing Faithfully Capital Campaign committee invite you to support our exciting building project by purchasing a commemorative engraved brick.

These personalized bricks will be located in the sidewalks around our new buildings and covered drop-off areas. Each brick will not only become a lasting part of our school and church grounds, but also help us raise essential funds to expand our facilities and enrich our community for generations to come. Together, let’s Pave the Way for a legacy of faith, learning, and fellowship—one brick at a time!

Ordering is open until December 19, 2025. Bricks will be installed in the spring of 2026. Space is limited, so place your order(s) as soon as possible.
