

The Southern Alleghenies Museum of Art in Bedford is growing. Show your support and leave your mark!

Renovations to the outside plaza have already begun, and as the beautification continues, we would like to share some personalized opportunities to all our SAMA Friends and Family.

We will be working to replace deteriorating bricks along the walking path through the Mouse Grass Garden, from the back of the museum porch walkway to the Pavilion, and surround the new gardens being developed now!

You may personalize a brick for you, your family, or even honor a loved one. The donated bricks will become a part of the outdoor gardens and enhance the experience for all of our visitors as a lasting tribute and paving the way for generations to come.

It's easy to get started! Read on for details about how to take advantage of this exceptional program that allows you and your family to become a permanent part of the Southern Alleghenies Museum of Art in Bedford!

Ordering is open now and closes December 31, 2023. Bricks will be installed in the Spring of 2024. There's limited space so place your order as soon as possible.
