

The Florida State University Schools Brick Campaign offers students, families, alumni, faculty, staff, local businesses and friends of Florida High a meaningful way to leave a lasting mark on our campus.

By purchasing a personalized brick, you can recognize a student or graduate, celebrate a milestone, honor a loved one, commemorate your family's connection to the school or show your support as a community partner. Each brick becomes part of the story of Florida High and reflects the many people who have helped shape our school community through the years.

More importantly, proceeds from the campaign will support direct needs of our FSUS community and school improvements that enhance the campus to create better learning opportunities and experiences for current and future students. Every brick purchased is both a lasting tribute of our Nole Legacy and an investment in the continued growth of our learning community. Together, Brick by Brick, we can celebrate our past, strengthen our present and help build an even brighter Nole Legacy for Florida High.

To place your order on-line please visit:
donate.brickmarkers.com/fhs
