

The Eight at Tool is a city park designed to deliver fun and entertainment to the entire Cedar Creek Lake Community! The Eight at Tool will provide Pickleball courts, Walking Paths, a Fishing Pond with a pier, a Playground area, a Dog Park, a Botanical Garden and an Amphitheater & Food Trucks for planned Community entertainment.

Your purchase of a custom brick will assure you and your loved ones are remembered by the placement of the brick in the Eight at Tool park.

As future phases begin, we will be adding a Veterans' Memorial and other amenities. Your donation will help us reach our goal while honoring your family for years to come. We hope to see you there very soon!
