

Shenango Valley

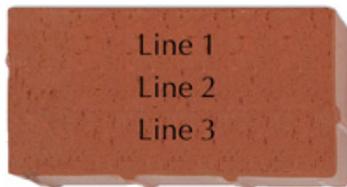

Animal Shelter

The Shenango Valley Animal Shelter is in the process of building a new Shelter Building. The current building is over 50 years old and has only 24 kennels. The size of the new facility will be three times larger and have over 56 kennels and enlarged cat room.

We are a "no kill" Shelter and find loving homes for all the stray and neglected cats and dogs in the Shenango Valley area. The new building will be safer, more spacious and comfortable for all our "residents" until we find them their forever home.
