BRICK FUNDRAISER

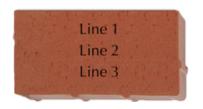

HOLY SPIRIT EPISCOPAL C AGAPE GARDEN PROJ**ECT**

Holy Spirit Episcopal Day School is building a community garden! We have an incredible opportunity for you to support while honoring loved ones, memorializing those who have passed on and or celebrate your child! The garden will be intergenerational and will serve as point of connection between the church and the day school program.

Here is your chance to customize a brick that will be laid in the garden!

Some examples: Put your favorite scripture, honor a friend of family member who has passed away, honor a child with a graduation brick! There are so many ways to get involved. This project will be enjoyed by many generations to come! Don't miss out on your opportunity to leave your mark today!
