

## **Stanton Veterans Memorial Park**

We are paving the way for the monument at Veterans Memorial Park. Help commemorate our veterans by purchasing a brick in honor of our veterans.

On this preliminary site plan, you can see the layout of the monuments. These bricks will lay at ground level within the quarter circle and if we

surpass that area, we will add more spaces.

This is your opportunity to participate in the exciting addition to the City of Stanton.

Your brick(s) may honor your family, commemorate a veteran or current service member, and even thank others for their service.

There are two sizes available. However, you may also want to consider getting a minireplica as a gift or even a keepsake for yourself.

For more information, please call City Hall at (989) 831-4440.
