

ALPINE CHRISTIAN SCHOOL
Classical Christian Education

Leave a Legacy: The Alpine Christian School Paver Campaign

Brick pavers are the perfect way to honor a family member, a friend, a business, or an organization. By participating in this campaign, you are not only leaving a lasting mark on our campus but also directly supporting the mission of Alpine Christian School.

How it Works: With your donation, you can choose a custom inscription for a brick paver. These bricks will create a beautiful, permanent walkway leading to the entrance of our school, serving as a testament to the community that supports our students.

Our Mission: At Alpine Christian School, we are committed to

Engaging Minds: Providing a rigorous and challenging Classical Christian education.

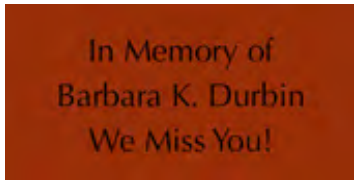

Experiencing God's Truth: Seeking to make disciples of our students and guiding them into a personal relationship with Jesus Christ.

Building Leaders: Equipping the next generation to lead with integrity and faith in a complex world.

Your contribution does more than pave a path; it builds a foundation for our students' futures.

Brick Markers® USA, Inc. (BMI) offers this free clipart to your club or organization as an opportunity to increase your profit margins. Your club or organization could charge an additional fee to any of your donors/customers that would like to add clipart to their bricks.

Important Note: Your brick area should have a clean and consistent appearance and should not be filled with too many free clipart images. We suggest that you limit the amount of free clipart images you offer to your donors/customers. For the possible free clipart image layouts, please see the attachment. We highly recommend one layout per size brick (4x8 & 8x8).

BMI Disclaimer: We will always do our best to provide a high quality engraved image. However, with any engraving process, we may lose some of the intricate details of a logo/graphic from the process of engraving. Such lost details should not be considered a defect but simply the result of engraving the image.
