

We are excited to introduce our Brick Fundraiser initiative and create a lasting legacy. The idea is simple yet powerful: by purchasing personalized bricks, you can play a vital role in supporting our cause while leaving a tangible mark on our project. You can personalize each brick with a name, message, or dedication. This allows you to leave your mark and help us raise essential funds for our building.

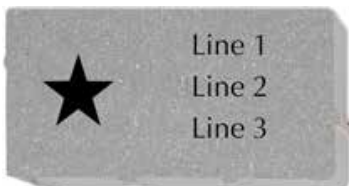

By participating, you are not only reinforcing your commitment to our mission but also creating a legacy that will be remembered for generations to come. Together, we can build a brighter future, one brick at a time.
