

Southwind at Spearville

Southwind at Spearville will be a vibrant, caring community of elders. Our elders are your neighbors, your mothers, fathers, uncles, aunts and friends. They continue to live their lives to the fullest each and every day ... and they continue to contribute to the town around them. The facility will have a 12-unit assisted living and a 14-unit full care section. It is designed with private rooms, comforts of home and a philosophy of wellness, rehabilitation, freedom, nurturing, and safety. Each day elders set their own schedules, pursuing hobbies or personal activities or having lunch with a friend.

Be a part of this exciting project by purchasing paver stones today with engravings of your choice. Remember and/or honor your loved ones and/or commemorate special events or accomplishments. Recognize your business or employers support of this worthwhile project. Your paver stones will be placed in a prominent location at the facility and are available in either 4 x 8 or 8 x 8 stones.

The Person-Centered Home will have direct and open access to all areas of the home, both inside and outside. It will feature private bedroom and full private bath. Hearth area with open kitchen, dining and living areas. Elders have 24-hour access to food. Recreational programs will be available as well as transportation. Full care will have 24-hour Nursing Staff. Rehabilitation services provided by physical, occupational and speech therapists.
