

The illustrious history of Preston's Station is an important part of the legacy of the Lincoln Highway, and the City of Belle Plaine, and continues to be an important asset for Belle Plaine and surrounding communities.

While the buildings within Preston's Station Historic District appear to be structurally sound, the improvements, restoration and preservation being planned are urgent, so this slice of Americana history is preserved. While we've made preservation progress, there is still much left to be done to preserve a story which began 100 years ago. We have a master plan outlining necessary steps but to achieve total restoration, WE NEED YOUR HELP!

Your support is critical to continuing Preston's legacy for generations to come. If we don't save our history now, it will be lost forever.
