About Crooms AoIT

Crooms Academy of Information Technology (AoIT) opened in 2001 as Seminole County Public Schools' premier technology magnet school. Crooms AoIT is consistently one of the best performing public schools in Central Florida, proudly carrying forward the Crooms legacy of being rich in tradition, pride, and vision. Crooms AoIT stands on the site of the original Crooms Academy which opened in 1926 to serve Seminole County's African American students. The school is a community cornerstone and is part of Sanford's heritage.

About the Crooms AoIT Alumni Panther Walk

The creation of the Alumni Panther Walk has been eagerly awaited by Crooms Academy and Crooms AoIT graduates alike as a way to show their pride in, and support of, our alma mater. The Walkway will be a multi-year project to install between 650-800 bricks in front of the Joseph and Wealthy Crooms Memorial Wall. The Memorial Wall is located between Crooms AoIT's central courtyard behind the media center and the Crooms AoIT athletic field.

The first order of bricks was placed in the summer of 2022 and construction started in August 2022. The Alumni Association plans to place a new order annually.
