

MEMORY MATTERS GLYNN PAVILION AND BUTTERFLY GARDEN

COMMEMORATIVE BRICKS

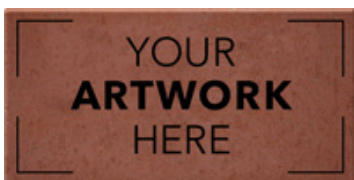

Help Memory Matters Glynn as we pave the way to happier and healthier lives for those in Glynn County living with dementia and for their caregivers. With your help Memory Matters can continue to offer programs to support, educate and enrich their lives. Support our efforts by purchasing an engraved brick which will be placed on the walkway to our new pavilion and butterfly garden. The pavilion and butterfly garden will provide a place for outdoor activities and a place to sit and enjoy the fresh air. Brick by brick we will pave the way for a brighter future for those dealing with illness related memory loss. We encourage you to memorialize a loved one or honor a friend or family member by purchasing a brick that will become a permanent and visible part of Memory Matters.

For just \$100.00 you can honor a loved one with an engraved 4X8 brick. The bricks are engraved using state of the art laser technology. This will ensure strength and durability for many years to come. If your business would like a custom logo printed on the brick there is an additional \$100.00 set up fee.
