

EASTERN KENTUCKY UNIVERSITY ATHLETICS

BRICK FUNDRAISER

The EKU Softball team is proud to introduce a great way to support the program, leave your mark, and beautify Gertrude Hood Field with the Walk of Excellence.

The Walk of Excellence is a fundraising initiative that allows alumni and friends the opportunity to give back to the softball program and leave their mark with a custom brick. With the thirtieth season upon us in 2023, the EKU Softball program wants the opportunity for alumni and friends to be a part of a specific society that shows their support for not only EKU Softball but Eastern Kentucky University Athletics.

Members of the Walk of Excellence have three tiers to show off their Big E pride and financially support the EKU Softball program.

Tier I - \$500 donation
8 x 8 brick featuring the custom Big E logo
Installation fee of \$45

Tier II - \$200 donation
4 x 8 brick featuring the custom Big E logo
Installation fee of \$35

You can make a one-time gift payment, or schedule monthly gift payments. For character limits for each brick, please refer to the informational form.

If you have any questions please contact, the Athletic Development Coordinator of the Colonel Club Taylor Randall at Taylor.Miller@eku.edu.
