

Our goal is to build a beautiful memorial area that honors those we have lost and provides a peaceful and meaningful space for them to be remembered. The bricks will be on display near a shaded pavillion on the property, providing folks with a place to visit and be surrounded by nature.

All proceeds from sales of the bricks go directly to the care of our therapy horses and the maintenance of our facility. Our eventual goal is to build a covered arena to support our riders and equine friends in the hot summer months of Central Texas.

We are a 100% volunteer organization and greatly appreciate you joining us in our quest to provide services in our community.
