

Bayonne Economic
Opportunity Foundation

Bayonne Economic Opportunity Foundation is honoring The Bayonne Community!

Commemorative bricks can be purchased to capture your most fond memories of Bayonne, NJ or to support this fundraising initiative!

These pavers will be a compliment to the existing facility, making it more user-friendly, maybe for a patio or a sidewalk.

Design your historic markers to memorialize family and/or friends, in memory of a loved one, or for corporate support! All proceeds will go toward renovations to BEOF's new location, the former Holy Family Academy.

We look forward to helping you leave your legacy to share with generations to come!
