

It's our 10th anniversary at Montessori Seeds of Education and we have so much going on! We want to stamp our logo and give families, friends and businesses the opportunity to leave a little legacy. When one of our outgoing adolescents, Shea Anderson, heard Mr. Matt wanted to change the concrete compass out front, he was all in.

Shea did all the legwork and found a company to create our logo in beautiful tiles! Mr. Matt thought of the idea of the Brick Campaign and to lay the bricks around the outside of the logo at the front of the school.

This brick fundraiser has two purposes. First the bricks you are purchasing will help to fund the tile rendered MSOE logo that will go out front. Second, these bricks will also become part of the final project and be placed around the logo. Your bricks donation will forever be part of the MSOE community for all to see who walk up to our front door. We need 160 bricks, which amounts to about \$17500, to complete this project design (varies because of the cost of different bricks chosen by each person) and help raise the money needed to put everything in place.

Thank you in advance for your willingness to support the MSOE community. We can't wait to see what will last a lifetime!
