FRIENDS OF THE MONTAUK LIBRARY

Celebration Brick Program

The Montauk Library Brick Program lets you create a memory that will last forever while helping to support the Library that you love.

Bricks are available in two different sizes at different costs. In addition, a large brick is available with custom logo or image that is perfect for a business or institution that wants to show it's support for the Library. See order form below for details.

Please be aware that it could take anywhere from 3 to 9 months before the actual installation of your brick. An order to the manufacturer can be placed only after a minimum number of bricks are requested and delivery and installation time are factors beyond our control.
