

These engraved pavers will create a welcoming entrance while recognizing the individuals, families, and businesses who helped bring this project to life. Each paver is a meaningful and long-lasting way to support the rink while showcasing your name, family, or business for years to come.

Whether you're celebrating your child's love for the game, promoting your company, or simply giving back to the community, this is a great way to leave your mark.

Proceeds from every paver directly support the development of the rink and help ensure access to skating and hockey programs for local youth and families. It's a true community-driven effort, and every contribution makes a difference.

Join us in building something special—one paver at a time.
