

PROJECT REVIVAL CHAPEL HOUSTON

BUY- A-BRICK- BUILD -A- LEGACY

Dear MFM Revival Chapel Families and Friends,

We are focused on the vision of MFM Revival Chapel and want you to be a part of its legacy as we continue to work towards the goal of raising funds for our church building project.

We thank everyone for their generosity thus far. However, it is without a doubt the funds needed to own a structure that can sit at least 1,000 persons, accommodate all of our ministries, space for a youth church, a community center with fully operational kitchen for our food bank and other church outreach activities will require an ongoing substantial amount of financial support! So we present not just an opportunity to support our building fund, but a unique way for you to be a part of the MFM Revival Chapel "Buy-A-Brick-Build-A- Legacy"!

You may be asking what makes it unique? The bricks will be part of the actual structure forever. You will have options to inscribe your name, scripture and the MFM logo (members only). You also have the option of just buying a blank brick. Some inscribed bricks will be used at designated areas for installation projects! (see example). These will be visible to all who come to MFM Revival Chapel!

It's easy to get started! Read on for details about how to take advantage of this exceptional opportunity that allows you to become a permanent part of the MFM Revival Chapel legacy. Ordering opens January 27, 2023. Remember some bricks will be used for installation projects and those require only a set number of bricks and are unique; the limited number is due to the limited space so place your order as soon as possible if you want a placement.

BRICK DETAILS: The bricks are 4"x 8"x 2 ¼" and are engraved using state of the art laser technology. Every brick engraving is guaranteed for life!

BRICK TILE DETAILS: The brick tiles are 8"x 8"x ½" and are engraved using state of the art laser technology. Every brick tile engraving is guaranteed for life.

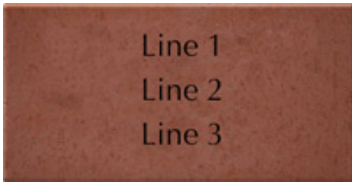

You can help us raise the funds we need to move into our own building. Donate by purchasing one of our buy-a brick- options. Every bit helps bring us closer to our goal, and we truly appreciate your support. If you can't purchase a brick at this time, consider spreading the word to your friends and family and other persons you know!

Please remember that your brick donation goes towards the Project Revival Chapel church building fund and all donations are Tax-Deductible. The actual bricks you purchase will be used for various projects and to give you an opportunity to have your inscribed bricks used for such projects and be forever part of the church history and legacy!

If you have any questions, please contact:

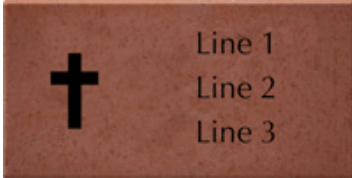

Thank you again,
Pastor Substance Ibegbulem,
MFM Revival Chapel Houston
Regional Overseer

MFM Revival Chapel Church Building Committee
