

Prince of Wales Little League is excited to announce that we have big plans for the 2024 season. Planning has begun to renovate our Thibodeau Memorial Ballpark facility to include a new artificial turf field, a batting cage, and a new press box with covered spectator seating. We will be posting updates to our website and Facebook page once the plans have been finalized.

Be a part of the "Overhaul" and help Prince of Wales Little League build our future at the Thibodeau Memorial Ballpark. This facility will provide sports programs for all ages and allow us to host regional Little League tournaments with pride.

Engraved bricks will create a patio and sidewalk for our recently constructed concession stand (if you haven't seen it, come check it out during a 2023 season game). If our brick fundraiser exceeds our expectations, we will also construct a brick path from the concession stand to the new field facilities.

Make your mark and have a permanent place at our Thibodeau Memorial Ballpark! These bricks are a great way to advertise your local business and show your community support!

All Brick donations are tax deductible. Thanks for your support!
