

The Monticello Rotary Club is celebrating its 70th anniversary by creating a 6-piece musical garden at Ellison Park in Monticello, Minnesota. This community project will feature outdoor musical instruments

surrounded by personalized bricks, allowing individuals and businesses to leave a lasting tribute.

How to Order a Personalized Brick

Installation: Spring 2026

Order Early: Space is limited, so it's advisable to place your order as soon as possible.

Each brick can be personalized to honor a loved one, commemorate a special occasion, or recognize a business. The bricks will be installed around the musical instruments in the garden, creating a harmonious blend of art, music, and community spirit.

This initiative not only celebrates the club's milestone but also enhances the community's cultural and recreational offerings. By participating, you contribute to a project that will bring joy and inspiration to residents and visitors alike for years to come.
