

Penn Branch Community Association is asking for your support to help us improve 9/11 Memorial Park.

Our goal is to beautify this gateway to our neighborhood by covering the main surface area (along Carpenter Street SE) with memorial bricks and pavers. The park will be an attractive memorial to the eleven District of Columbia residents who tragically lost their lives during the attacks on September 11, 2001. With your support, it will also be a more accessible and sustainable gathering space for our community.

Donors may individualize a brick in honor of your family or a dearly departed neighbor.

BRICK DETAILS: The bricks are 4"x 8"x 2 1/4". We are reserving larger 8"x 8" square to honor our military service families.

Your contribution will be a lasting tribute to the many exceptional families, past and present, that have made Penn Branch the best neighborhood in Washington, D.C. All donations are tax deductible.
