

Patriot Assistance Dogs

All of us at Patriot Assistance Dogs are excited to announce that we are moving! That's right, we have been trying to keep up with the number of veterans reaching out to us for help, and are so busy that we have now run out of space! We have purchased a 7-acre property that has an existing structure that will allow plenty of administration room, meeting room and a residence hall with six rooms for those veterans that are joining us during their week-long class for training.

Of course, we need to bring the dogs with, so our next project is to construct a kennel building on the premises, which will include space for our dogs-in-training, provide offices for our trainers, a grooming and intake area, a trainer's apartment (to simulate in-home situations) and much more. We are looking forward to this new venture!! For now, our trainers will be working from our original location, while utilizing our new space for classes and training.

These bricks will be "Paving the way for PAD" by leading from our main building down to our new kennel building.

This means that we have partnered with Brick Markers USA so everyone can help "pave the path" to the new kennel with customer bricks by Brick Markers. Please take a look, and maybe grab a brick or 20, to help PAD pave the way.

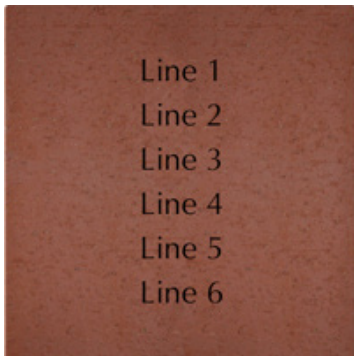

\$50 - 4x8 Brick

\$25 - 1x3 Mini Replica Brick

3 lines of text, 20 characters per line (including spaces and punctuation)

*Replicas may only be ordered with purchase of full-size brick.

\$75 - 8x8 Brick

\$35 - 3x3 Mini Replica Brick

6 lines of text, 20 characters per line (including spaces and punctuation)

*Replicas may only be ordered with purchase of full-size brick.
