

The Kingwood Football League (KFL) invites community members to contribute to its legacy by purchasing a commemorative brick to be installed around the flag poles near the concession stand. Proceeds will support field maintenance, player scholarships, and keep registration fees affordable. Additional funds will be used for improvements such as upgrading lights to LEDs, purchasing bleachers, and enhancing the concession stand for a better experience for families.

KFL is a non-profit youth sports organization established in 1989, supported by volunteers and endorsed by local high schools. The league serves around 500 players in tackle and 7-on-7 football, as well as hosting local lacrosse leagues and various community events at the Healy Sports Complex.

The mission of KFL is to foster values like sportsmanship and teamwork among participants, preparing them for future success both in sports and academics. The league relies on community support and sponsorships, as it owns its facilities and does not receive public funding. Donations are crucial for maintaining operations and keeping registration fees low.

For inquiries or sponsorship opportunities, contact KFL at kingwoodfootballleague@gmail.com.
