

More than fifty years ago, community visionaries joined together to construct a swimming pool that would enhance Zumbrota’s appeal to families. Their dedication and leadership bore fruit, and the pool served residents of all ages for five decades. It became a cornerstone of our community, providing essential swimming lessons to hundreds of local children, offering a hub for healthy summer recreation, and standing as a source of civic pride. As the pool has reached the end of its useful life, we embark on a new journey, carrying forward the spirit of our predecessors with a fresh vision for a groundbreaking in April 2025 for a new swimming pool.

The “Bridging Ourselves to a New Pool” Committee, in collaboration with the City of Zumbrota Park Board, has set an ambitious fundraising goal of \$1,626,000 to make this new pool a reality. By contributing to this vital project, you will not only help create a lasting community asset but also demonstrate your commitment to Zumbrota’s future. Your support will be prominently recognized, serving as an inspiration for generations to come. We are confident that through the generosity of our community, we can reach this goal and deliver a modern, accessible swimming facility that will serve Zumbrota for many years to come.
