

# Dover Education Enrichment Program (DEEP) DOVER HIGH SCHOOL STUDENT AND ALUMNI WALKWAY

**ONCE A DRAGON... ALWAYS A DRAGON... SHOW YOUR DRAGON PRIDE!**

DEEP provides grants for programs to enrich learning for students at all grade levels.

A brick contribution helps beautify the High School entrance and contributes to DEEP's endowment fund for students to benefit from life-changing enrichment programs.

Your personalized brick will be installed along the Dover High School Entrance as a personal tribute or in honor or in memory of a loved one or organization.

Bricks may be customized with text and a clip art inscription and are laser-engraved with a lifetime guarantee.

*DEEP is an educational enrichment fund of the Berkshire Taconic Community Foundation, Inc.*
