

THE HERD
FOUNDATION

Mathews Elementary School Playground Project

Proceeds from the brick fundraiser will help fund a safe, all inclusive and age appropriate playground that will foster imaginative play, social interaction, creativity and physical well-being. Playgrounds are not just for fun, they also help to improve concentration and the development of essential life skills such as teamwork, problem-solving, and resilience.

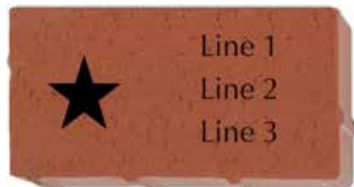

The bricks will be permanently placed at the Sheridan Drive location after construction of the new elementary gym.
