

**The IDDeal Place** offers supporters a meaningful way to leave a lasting legacy while helping build a forever home for adults with intellectual and developmental disabilities. Each personalized engraved brick will be placed around the community's central "Circle of Love" tree—a beautiful symbol of growth, unity, and hope. By purchasing a brick, donors not only honor loved ones or showcase their commitment, but also become a permanent part of the foundation of The IDDeal Place, giving our forever children a forever home.
