

In the heart of York, the EPIC Gardens emerge as a beacon of community spirit and collective resilience. These gardens, including the specially dedicated Ivan & Zach Firefighters Memorial Gardens, represent more than just spaces of natural beauty; they are symbols of our shared

values, memories, and aspirations. As part of our EPIC Neighborhood strategy, the EPIC Gardens serve as the cornerstone of our efforts to enrich the Broad Street Greenway, transforming it into a vibrant and inclusive community hub in the North East Neighborhood. This initiative is not just about beautification but about creating a living network of spaces that reflect our commitment to sustainability, commemoration, and community empowerment.

The Ivan & Zach Firefighters Memorial Gardens, in particular, hold a special place within the EPIC Gardens framework. Dedicated to the memory of two brave firefighters who tragically lost their lives in the line of duty, these gardens are a poignant reminder of the sacrifices made to keep our communities safe. Nestled within the broader canvas of the EPIC Gardens on the Broad Street Greenway, they stand as a testament to courage, sacrifice, and the indomitable spirit of those who serve and protect us.

We are embarking on a second round of brick sponsorships to further enhance the EPIC Gardens, with special attention to the Ivan & Zach Firefighters Memorial Gardens. This initiative offers a unique opportunity for individuals and organizations to contribute to the growth and development of these spaces. Each sponsored brick not only aids in the physical beautification of the gardens but also supports the broader vision of creating interconnected, empowered neighborhoods. It's a chance to leave a lasting legacy in York, honoring loved ones, commemorating special moments, or simply showing support for the community and its heroes.

We invite you to be part of this transformative project. Your support will enable us to extend the EPIC Gardens, creating a signature gardenscape that embodies the aspirations of our community. Join us in honoring the memory of Ivan, Zach, and all those who have contributed to the well-being of our neighborhoods. Through your participation in the brick sponsorship program, we can collectively ensure that the EPIC Gardens continue to grow and flourish, serving as a source of inspiration, remembrance, and community pride for generations to come.
