

Architecture begins when you place two bricks carefully together. – Ludwig Mies van der Rohe  
*And it is these bricks that house families...families that create communities...and communities that leave legacies.*

Purchase an engraved brick to honor current and past students, families, and friends of School in the Woods. Your brick will leave a personalized, lasting impression for years to come.

### **PAVE the Way!**

- Leave an everlasting mark on School in the Woods.
- Instill and foster a sense of community pride by joining in this project.
- Create a safe and functional riding space for the Toddler Playground.
