

Overhill Swim Club is continually looking for ways to improve the grounds and facilities offered to our members. As such, a much requested need is for more seating, particularly seating that is shaded.

We are asking members to help contribute to the costs involved by providing the opportunity to purchase personalized engraved bricks.

These bricks will be used to form a new paver patio in the area now occupied by the bocce ball court. We intend to cover the new patio with a canopy or sun sail to provide shade over the area and we expect to have this new area ready for the 2026 Season.

The bricks are sized 8" x 8" and you can personalize them with up to six lines of text. Please consider taking advantage of this unique opportunity that helps defer the cost of the project but also allows you to leave your mark at a swim club we all love. Use this website to order your brick(s) and then you can pay for them by logging into your account at overhillswim.com.

Thanks in advance for your purchase, helping us improve the club, and leaving your mark.
