

Wilder Elementary All Abilities Playground Commemorative Brick Fundraiser

We are excited to launch our commemorative brick campaign in support of the All Abilities Playground Addition at Wilder Elementary!

This inclusive Playground addition will provide a safe, engaging space where children of all abilities can play, learn and grow together. A key part of this project includes the installation of an ADA-compliant sidewalk, ensuring accessibility for every child, grandparent and community member.

As a part of this meaningful addition to our campus, commemorative bricks will line both sides of the new accessible walkway, creating a lasting pathway of community support and pride.

You are invited to purchase a personalized brick to:

- * Honor a student, teacher, or family member
- * Celebrate a graduate
- * Recognize a business or organization
- * Memorialize a loved one
- * Leave your family's legacy at Wilder Elementary

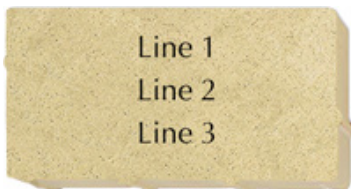

Each engraved brick will become a permanent part of the walkway, symbolizing your support for inclusion, accessibility, and community.

Space is limited, and bricks will be installed on a first-come, first-served basis. Once the available spaces along the walkway are filled, this opportunity will close.

Join us in building not just a playground, but a place where every child belongs.

Order your commemorative brick today and become a permanent part of Wilder Elementary's future.
