

Child survivors of sex trafficking need to be surrounded by people that understand their trauma. Often, their actions and reactions are cries for help in disguise. Blanket Fort Hope understands these cries and will be equipped to help them right where they are. We are responding to the urgent need of child survivors of human trafficking in Alabama; a home model that focuses on restoration can help a child find hope.

With your contributions, we are one step closer to realizing the vision of Blanket Fort Hope and creating a safe haven for those seeking comfort and refuge.

An engraved brick is a step on the journey. It will be placed on the walkway leading to the Restoration Home.
