

### **Join Us in Paving the Way for Wildlife!**

The Moorpark Morning Rotary Club is thrilled to announce our collaboration with The Teaching Zoo at Moorpark College for their upcoming capital campaign. We invite you to be a part of this exciting venture by buying a brick!

### **Building a Future for Carnivores**

100% of the profits from this campaign will be dedicated to the complete redesign of the carnivore area at The Teaching Zoo at Moorpark College. Your support will contribute to creating

a more enriching and sustainable environment for the majestic inhabitants, enhancing their well-being and educational experiences.

### **Leave Your Mark with a Personalized Brick**

Supporters of this campaign will have the opportunity to purchase personalized bricks. These bricks will replace the current pavers in the space between the enclosure of the regal lion, Ira, and the front fence. Your contribution will be a lasting testament to your commitment to wildlife conservation.

### **Important Note: Plan Ahead**

Please be aware that bricks will be ordered once per year. Depending on when you place your order, it may take up to a year before it is installed. Your patience is sincerely appreciated as we work towards creating a revitalized space for the carnivores. Please order your bricks by February 1, 2025 to get in our next order!

The Moorpark Morning Rotary Club extends heartfelt gratitude for your support in making a difference in the lives of the Teaching Zoo's residents. Join us in creating a legacy that will be remembered by generations to come. Together, let's pave the way for a brighter future for these incredible creatures.
