

The "Building Blocks" Brick campaign is a part of the Building with Love Capital Campaign for Wesley at Virginia Tech. The proceeds from each brick will go towards the completion of our capital campaign that aims to improve the beloved campus ministry building in Blacksburg, Virginia.

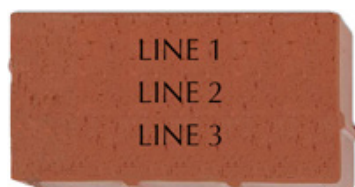

Every brick represents the beloved community of supporters that Wesley has cultivated over the last 80+ years of ministry and will be a lasting, physical representation of the love grown through this important faith community.

Bricks will be a part of the patio space in the new renovation as well as in other key spaces like the volleyball court area (if we need more space). Space is limited so please get your orders in soon.

You can choose to fund a brick individually or get together with friends and order one. Payment for the bricks can be through paypal or check and can be paid at one time or through the pledge form for the campaign. All bricks must be paid for by June 30th 2028.

If there are any questions please feel free to reach out to Minoka Yonts, Director of Development at development@vtwesley.com.

To place your order on-line please visit:
