

Squadron 474's latest project, in conjunction with the Borough of Zelienople, is to replace and rededicate a new Veterans Memorial Park in Zelienople. This project involves redesigning the park, along with cleaning and refinishing existing monuments, and adding additional monuments to honor the memory and service of all of our local veterans who served in our armed forces.

By purchasing a brick, you can be a part of this worthwhile endeavor. We have three categories of bricks: Veterans, to honor a friend or family member who served. Legion Family, for other

Posts, Squadrons, Units and Chapters to show their support of the project. And finally, Donor, where any person or business can proudly show their support.

All bricks will be placed in the central area of the memorial park, in front of the monuments. We thank everyone for their continued support of our Nation's Veterans.
