Join us in turning a dirt patch into a thing of beauty

Personalized brick-pavers dedicated to our students

What started as a broken water main, and a many-months-long process to repair it, ended in a solution in the form of a legacy project that will support our school and our students for years to come. We're proud to announce our Legacy Paver Program where parents, family members, alumni, and community members can purchase personalized bricks.

A perfect gift for kids to see their family's good wishes as a daily reminder and for 5th grade graduates to be remembered. Join us in turning a dirt patch into a thing of beauty
