

We are moving the Old Bridge and you can help!

Why are we moving? Ronnie and Clarice Holden have generously given us the use of their property since 2011, but now the property is for sale and we need to move. Fortunately, the late Ed Gore, son of Sunset Beach founder Mannon C. Gore, gifted us the adjacent property where the Bridge can be preserved

permanently.

You've already left a piece of your heart in Sunset Beach. Now you can leave your name and/or message and show your support for the Old Bridge. Your brick will be placed at the site after the Bridge is moved and we will let you know.
