

Dearest Friends and Families of Noah's Ark Preschool,

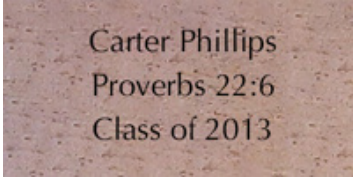

The staff of Noah's Ark Preschool and our faithful board members are thrilled to be gathering together as we start this new journey into the future of our school. Our goal to raise the needed funds to secure our future in building form, is the single largest endeavor we have ever undertaken. An endeavor that will only succeed with all of us coming together to raise the \$6 million needed for our new buildings.

Noah's Ark has a very deep and rich connection to the Destin community. Begun in 1975, we were the first preschool in Destin. Housed in St. Andrews-By-The-Sea Episcopal Church, the school began with a small group of parishioners who desired to create a space where their young children could grow and develop in preparation for their future years in education and life. These early years of Noah's Ark had a very positive and profound effect on the children in the Destin community. We are proud to say generations of families have come through our doors. This family legacy is the reason we are calling this endeavor our Posterity Campaign. The journey ahead of us is directly linked to our past. However, this is not just building a brick and mortar structure. We are also building a new facility that will allow us to continue to grow and serve the young families in the Destin community. This desire comes from the core of our mission statement.

Please join us on this journey to strengthen, broaden and deepen our ability to raise generations of young children who will positively impact our wonderful city, and beyond.

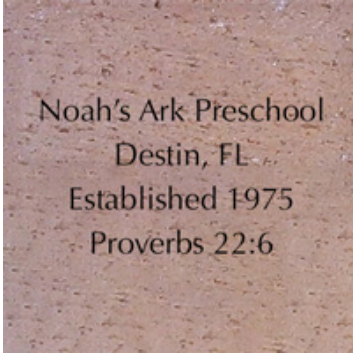

Blessings,

Charlene Robertson
Director of Noahs Ark Preschool since 1997
