

Austin Area Urban League

The mission of the Austin Area Urban League Inclement Weather Shelter is to offer refuge to our community's most vulnerable members during extreme temperatures, whether it be cold or heat. In light of the unprecedented and severe weather conditions placing our at-risk community in jeopardy, the AAUL has initiated the #LoveThyNeighborTX campaign. This endeavor is supported by community-focused organizations dedicated to providing emergency assistance. With your assistance, we aim to deliver shelter, food, water, clothing, and more, surpassing the predetermined threshold. Our collective goal is to ensure that everyone seeking shelter is accommodated without being turned away.

By contributing to the AAUL Empowerment Society Brick Program, you not only leave a lasting legacy at the AAUL H.O.M.E.S 1 Center but also contribute to making an enhanced quality of life more accessible for vulnerable community members. Your personalized brick, engraved with your name or organization at a chosen level, will find its place in the courtyard at the AAUL H.O.M.E.S 1 Center.
