

The St. Mary of the Plains Spirit of Place will combine the historical narrative of the Academy, the High School and the College in one place. It's an ambitious project but one we believe will reflect our core Christian values, academic excellence and athletic achievements. It's an opportunity, through the purchase of bricks and other project elements, for you to leave your mark on the place that no doubt has left a lasting impression on you!

To place your order on-line please visit:
