

Project Goal & Central Falls MINI PITCH INITIATIVE

Join Kick It Forward, Project GOAL, players from Major League Soccer, and members of your community, all working together to provide greater opportunities for the youth of Rhode Island.

- A mini-pitch is a small futsal-style soccer field that provides a safe place for kids to play
- TWO mini pitches will be located - one at Jenks Middle School in Pawtucket, and one at Dunn Park in Woonsocket
- Fundraising is underway to raise \$200,000
- VISIT: projectgoal.org to learn more

WE NEED YOUR HELP!

Leave your mark on this project by purchasing an engraved brick, which will be permanently installed around the mini-pitch.

A Project Goal graduate and former New England Revolution player, and current Guatemala National Team/Phoenix Rising player, Damian Rivera, said that, "Having a nice Mini-Pitch would have benefited me a lot back when I was a kid. Building one now will help the kids in the community by allowing them to develop friends, play soccer, and just enjoy the game."

PLEASE BUY A BRICK TODAY!

Purchase a personalized, engraved brick to honor a special person, family member, student or group; to commemorate a special occasion; to feature your business or organization; or to be used in memoriam.
