"PAVED WITH LOVE"

The Natchez-Adams County Humane Society has em"barked" on a "purr"fectly wonderful project named "Paved With Love!" We are very excited about this project, and would like everyone to have the opportunity to be a part of it. We will be adding an open-air pavilion to the grounds of the shelter. The pathway to the pavilion will be made of bricks. These bricks will memorialize and honor those we cherish the most.

By purchasing a brick, you will have the opportunity to put the names of those that are, or were, most important in your life. As a bonus, you will be helping us raise very needed funds for our shelter. You can choose a pet, family member, best friend, mentor or anyone you decide deserves recognition. Hard to choose just one person or pet to recognize? Not a problem, because there is no limit on how many bricks you may purchase. Each brick is 4x8 and is offered for only \$50 each! The text you submit will then be engraved with a special technique that has a lifetime guarantee. There is room for one, two, or three lines of text. We are also offering the opportunity to purchase a mini replica brick for the low price of \$20 per brick. You may decide to keep the replica or give it as a gift to someone who shares your love or admiration of that special person or pet!

Please join us in this very unique way of adding to our facility, while making that special someone, or someones, a permanent part of our campus.
