

St. Charles Borromeo Catholic School

St. Charles Borromeo Catholic School has finally fulfilled the dream of building the Gymnasium and Center for Science & Engineering.

In celebration of this milestone, we are offering our St. Charles parishioners, school families, and alumni a chance to leave their permanent mark with the purchase of a Legacy Brick. Legacy Bricks will memorialize our families across generations with a custom engraving and optional image.

We are united as a spiritual family, and we want everyone who has helped make our Gymnasium and Center for Science & Engineering possible to be remembered as the students of the future walk upon the Legacy of your generosity.

Thank you for your continued support in helping us to build this Gymnasium and Center for Science & Engineering for your children.

Order your Legacy Bricks today!
