

Brick by brick, we are building a foundation for play!

The Dzantik'i Heeni Playground is a collaborative effort of the City and Borough of Juneau, the Juneau School District, and our community.

We are building a playground for the neighborhood children and the students of Montessori Borealis and the Juneau Community Charter School at the Dzantik'i Heeni school campus. You are invited to sponsor a permanent brick to be included in the playground path.

To place your order on-line please visit:
