

The Coal Creek Miners Museum is conducting a brick fundraiser as a community-driven project aimed at supporting the renovation and preservation of the museum dedicated to the history Coal Creek, TN and significance of coal mining in East Tennessee. The project aims to raise funds through the sale of personalized bricks that will be used to construct a commemorative pathway at the museum. By participating in this project, individuals and organizations have the opportunity to contribute to the museum’s financial sustainability while leaving a lasting legacy in honor of a coal miner, a community member and/or a business partner. By selling personalized bricks, the museum aims to engage the local community, former coal miners, their families, and individuals passionate about preserving the history of coal mining. The funds raised will be used for museum infrastructure, exhibits, educational programs, and maintaining the museum’s collection.

*The Coal Creek Miners Museum reserves the right to deny any brick donation application which it determines to be inappropriate by virtue of the stated or implied message. No addresses, phone numbers or websites will be permitted on bricks.*
